Your work today: video – London , Wbp. 85/8, 9-kdor želi

Dear Kids,

I hope you enjoyed watching the video about London. Please watch it once more and write into your notebooks which buildings are there in London. For example: There are museums. There is a square.

Učenci,  
upam, da vam je bil video o Londonu všeč. Poglejte ga še enkrat in v zvezek napišite zgradbe, ki jih vidite v Londonu. Npr: There are museums. There is a square.

Now open your workbooks on page 85. Do exercise 8, where you spot the differences and write sentences there is, there are.  
If you wish you can do exercise 5.

Odpri delovni zvezek na strani 85. naredi nalogo 8, kjer iščeš razlike med slikama in pišeš povedi: there is, there are. Če želiš, lahko narediš še nalogo 5.
